

Directions to Young Audiences
200 Forrestal Rd. Princeton, NJ 08540

Our office is located on the James Forrestal Campus (which is a large office park that has multiple businesses). It's best to use your GPS to get to our office, because there are two entrances to the Forrestal Campus. Each building on the campus has a brown sign with white letters indicating the address for that particular building.

Use this [Google map](#) of our office (in relation to the larger campus) and a picture of the front entrance of our office.

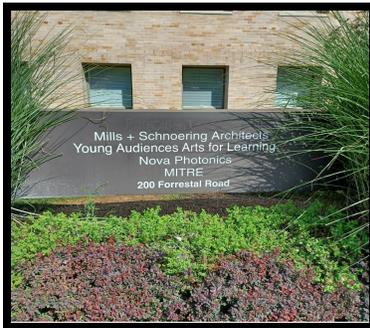

Parking

Forrestal Campus has lots of parking lots. You will want to park in the parking lot that is closest to our building. When you get near 200 Forrestal, park in whatever parking space you can find that is close to the building (make sure you don't park in a space that is marked "RESERVED".)

Front Staircase Entrance

If you're in the front of the building across the "street" from a two-story building that has light blue windows, you'll see this sign (below) to the left of a staircase entrance.

To enter the building, take 16 stairs up to the front doors. Once inside, you can either take the elevator or go down two flights of stairs (10 steps each) to reach the 1st floor (bottom floor). If you're entering from the back entrance, you'll need to go down 10 stairs. Once on the bottom floor, turn right and head into the conference room. If you accidentally end up in YA's main office, no worries - just turn around and head to the other end of the hallway.

Rear Accessible Entrance

If you enter through the rear entrance, you'll see this sign (below) to the right of the walkway to lead to the back door. Next to this sign are three accessible parking spaces. To enter the rear accessible entrance you'll use the walkway to the door.

Once you enter the building take the stairs or the elevator down to the bottom floor (Floor 1). When you get down to the bottom floor, turn right and go into the conference room. If you accidentally end up going into YA's main office, don't worry – just turn around and walk down to the other end of the hallway.

Entering the Office

Once on the bottom floor, turn right and head into the conference room. If you accidentally end up in YA's main office, no worries - just turn around and head to the other end of the hallway.
